Defenders: 2 points for reaching 10+ combined Clearances, Blocks, Interceptions, Tackles (CBIT) in a match

Midfielders/Forwards: 2 points for reaching 12+ combined Clearances, Blocks, Interceptions, Tackles, Recoveries (CBIRT) in a match

Capped at 2 points per match regardless of how far the threshold is exceeded

Bonus Points System (BPS)

Awarded to the top 3 performers (by BPS score) in each match: 3 / 2 / 1 points

BPS is calculated from ~32 in-match stats (goals, assists, clean sheets, key passes, tackles, saves, fouls, offsides, big chances missed, etc.)

Ties split points evenly per official tie-break rules

New for 2026/27: projected bonus points are shown live from the 20-minute mark of each match and update as the game progresses
